

NO. 5:12-CV-00504-M

ORDER

The Court may deny the Plaintiff's current motion based solely on the Court's January 3, 2017 order; however, the Court also notes that Plaintiff provides no factual or legal basis on which the Court may consider his request to re-open the case. Accordingly, Plaintiff's motion is DENIED.

SO ORDERED this 11th day of December, 2020.
